

ANNOUNCES THE LAUNCH OF NEW WEBSITE

ORANGE d'LIMONENE - GRAND OPENING DISCOUNTS!

Florida – February 3, 2014: EZclean.com's new online shopping portal offers high quality Orange Terpenes and Orange d'Limonene products in three manufactured grades; Technical Grade, Food Grade and High Purity. Our website was created to allow our customers to take advantage of speed and simplicity in ordering quality products.

EZclean.com's new online shopping portal is designed with a fresh look and user-friendly navigations to provide for a smooth transaction. The multi-functional d'Limonene products can be purchased in three sizes: 1 gallon, 5 gallon or 55 gallon containers.

About Us

EZclean is a Florida based manufacturer with a talent base of over 25 years of industry experience. EZclean's cutting-edge technology and expert process design has optimized our production capabilities to deliver maximum quality with minimal overhead.
