

Product and Uses

EZclean's d-Limonene product is a concentrate containing 93% - 98% d-Limonene. While it can be used "as is" for removing: wax, gum, tar, adhesives, etc., d'Limonene when added to water has a variety of cleaning functions.

Household Use:

Degreaser
Oil Remover
Removes Adhesives/Stickers
Removes Scuff Marks
Floor Cleaner
Wheel Washer
Removes Grass Stains
Paint Stripper
Removes Soap Scum
Air Freshener

Industrial Uses:

Heavy-duty degreasing of construction equipment
Truck and heavy equipment cleaner
Tar and asphalt removal from vehicles
Parts cleaner for auto, aircraft, aerospace industries
Printing press cleaner
Maintenance and Factory cleaner
Marine vessel cleaning – degrease diesel engines, bearings and removal of heavy carbon deposits

General All Purpose Cleaner Mix:

16oz. Tap water
1/2TBSP d'Limonene

Instructions: Mix ingredients in a clean glass or plastic spray bottle. Shake well after each application. Separation is natural.

*For heavier cleaning jobs add 1 Tbsp. liquid detergent to the ingredients listed above.

*For glass and mirrors add 1 tsp white vinegar to the ingredients listed above.

d-Limonene's multi-functional cleaning platform makes this a universal products across many industries:

Oil and Energy	Flavor & Fragrance Companies
Automotive Industries-shops/garages	State Highway Departments
US Military	Railroad Depot/Yards
Janitorial / Sanitation	Schools and Businesses
Insecticide Companies	Aerospace

Note: To insure proper safety and handling of the d-Limonene product, review EZclean's Material Safety Data Sheet (**MSDS**) as well as the **Technical Data Sheet**, both listed under each product.
